ASSIGNMENT

In consiation of Ten Dollars (\$10.00) cash in hand paid to me and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, Michael E. Tompkins and Michael J. Green, who have made an invention in a Spa Control System, assign, sell, transfer and convey to Siego Industries, Inc., a corporation having an office in Houston, Texas, sometimes hereinafter called "Assignee," its successors and assigns, the entire right, title and interest throughout the world in and to, for each of us:

1. Said invention in Spa Control System;
2. My United States of America patent application filed concurrently herewith on said invention, Attorney's File No. 86-1198-01, entitled: Spa Control System;
- 3.. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, whether in the United States of America or any other country or place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including, without limitation, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
7. The right of assignee to file in its name applications for patents and like protection for said invention in any country and countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

(hereinafter "Rights").

Further, each of us covenants and agrees that I will, at the expenses of Assignee, its successors and assigns, cooperate with Assignee at Assignee's expense whereby Assignee may enjoy to the fullest extent the benefit of this Agreement. Such cooperation shall include but not limited to:

- (1) Prompt execution of all papers that are deemed necessary or desirable by Assignee to perfect the right, title and interest herein conveyed, and

ALL RIGHTS RESERVED

(2) Prompt execution of all petitions, oaths, specifications, declarations or other papers that are deemed necessary or desirable by assignee for prosecuting patent applications, for filing and prosecuting substitute, division, continuing, or additional applications in the United States and/or foreign countries, for filing and prosecuting applications for reissuance of letters patent, and for interference proceedings involving and covering any of the Rights, and

(3) Prompt assistance and cooperation, including but not limited to execution of documents and testifying, in the prosecution of legal proceedings involving any of the Rights, including, but not limited to, patent prosecution, interference proceedings, infringement court actions, opposition proceedings, cancellation proceedings, priority contests, unfair competition court actions, trade secret court actions, public use proceedings, slander, license breach and royalty collection proceedings and any other legal proceedings.

Further, each of us warrants that I have the right to make the assignment set forth herein.

Further, this Agreement shall be binding upon each of us and our heirs, administrators, executors, successors, trustees, devisees and assigns.

Further, this Agreement shall inure to Assignee, its successors, trustees, devisees and assigns.
